**ORDER DISMISSING CAUSE WITH PREJUDICE**

This Day this Cause came on to be heard on the Motion Ore Tenus by Counsel for Plaintiff, moving the Court to Dismiss this Cause with prejudice, having announced to the Court that a compromise settlement had been reached between the Plaintiff and all the Defendants, which settlement included the agreement that all matters of fact and issues of law had been fully and finally settled between the parties so that nothing further remains to be judicially determined in this cause.

The Court, being fully advised in the premises finds that the Motion to Dismiss the Plaintiff's claims, with prejudice, is well taken and the same is hereby GRANTED.
